Upon written request via email/fax and subject to availability, we will **PROVISIONALLY** book your place on the chosen tour. Space is allocated and held BUT if another client requires definite suites, the holding agent/guest will be asked to confirm with a deposit payment or release the suite. Upon written confirmation via email/fax and a completed Reservation Form, final confirmation details and an invoice will be sent. Upon receipt of the relevant payment the booking will be **CONFIRMED**. On confirmation of a reservation, our Terms & Conditions will be deemed to have been accepted and will be strictly adhered to. See T&C on [rovos.com](http://rovos.com).

**CANCELLATION:** Cancellation of a confirmed booking received prior to departure is subject to a fee of the per person tour price. See T&C on [rovos.com](http://rovos.com). **Cancellation insurance is compulsory** as these fees will not be waived. We offer insurance to South African residents. For international guests we suggest you contact your local insurance agent for assistance. Please bring a copy of your travel insurance policy stating clearly the company, policy number and 24-hour medical emergency telephone number.

**PAYMENTS:** Payment can be made via bank transfer to our ZAR (South African Rand) account. Please reference the payment with your invoice/reservation number and send us proof of payment via email/fax. Due to the high cost of credit card charges in South Africa, we prefer that all clients pay via bank transfer although credit card authorisation forms are available for guests booking directly only. We are a South African company and reserve the right to charge/refund in ZAR. As legally required, refunds are processed into the same account from which the initial payment was received. **Journeys invoiced in ZAR:** All bank transfers are processed/refunded in ZAR. **Journeys invoiced in USD:** USD bank transfers are processed/refunded in USD. **All credit card payments for all journeys** are processed/refunded in ZAR. Rovos Rail is not liable for any loss in currency due to rate of exchange fluctuations. Please request our bank details or forms from [reservations@rovos.co.za](mailto:reservations@rovos.co.za).

**PASSPORTS & VISAS:** The onus is upon the client to ensure passports and visas, as may be required, are valid prior to departure for Africa. On the various journeys we travel: South Africa, eSwatini, Namibia, Botswana, Zimbabwe, Zambia, Tanzania, DRC and Angola. Some nationalities are eligible to purchase port-of-entry visas. Immigration forms will be available on board. Please ensure you have a minimum of US\$200 in cash with you. Angolan and DRC visas must be obtained prior to travel. We request that Tanzanian visas are obtained prior to travel when possible. Passports must have at least **five blank VISA pages** and must be valid for at least **six months** from your return-home date. **Please enquire with us or check with the relevant embassies in good time.** Visas are also available through visa/booking agents.

**SCHEDULING TIMES, ROUTES & EXCURSIONS:** We wish to bring to your attention that Rovos Rail is solely reliant on the traction and railway services provided by the countries through which we travel. Our hands are regrettably tied when these services fail, be they due to locomotives, signals, overhead power-cable damage and/or theft, vandalism, electricity outages, railway tracks or issues with drivers etc. Delays can occur due to our reliance on these national organisations. Rovos Rail is not responsible and cannot be held liable for any delays or changes in tour arrangements that may be caused by natural or other factors beyond our control. Rovos Rail reserves the right to cancel or amend our routing, any excursions and the tour departure dates provided we can offer clients alternative excursions or departure dates. Rovos Rail cannot guarantee excursions or departure and arrival times. Our obligation to transport guests from departure to arrival points on schedule will override any commitment to excursions although we will endeavour to carry out all of the off-train experiences. **We strongly caution against same-day air travel on departure/arrival days due to possible delays with flights or the train.** Should you be delayed, kindly contact +27 (0) 12 315 8242.

**JOURNEYS & PRIVATE HIRE:** We offer a variety of journeys from 48 hours to 15 days that cover the sub-continent of Africa. The trains run year-round although some of our short journeys do not run during our winter months. We prefer you enjoy the full journey experience although you are permitted to disembark earlier at a convenient stop – keeping in mind the rate will remain the same. The scheduled journeys are available for full charter. You can also combine our 42- or 72-bed train with other entertaining products for bespoke charters including incentive groups, historical expeditions, cycling tours and private gatherings. The Events Train, suitable for day trips only, caters for up to 250 guests and is the perfect venue for weddings, incentives, conferences and product launches. See [rovos.com](http://rovos.com).

**ROVOS RAIL STATION TOUR & MUSEUM:** A highlight for guests is a visit to the private station headquarters in Capital Park, Pretoria, where over 400 employees work assiduously to ensure the locomotives and trains are maintained to the highest standard. This is the busy hub of a provisioning operation that is world-class in terms of efficiency and attention to detail. The tour will show you the nuts and bolts of the company. We also have a museum showing a historical collection of train paraphernalia.

**CHECK-IN:** Please check-in a minimum of one hour before departure. Should you wish to visit our museum or do a site tour at Rovos Rail Station in Pretoria, we suggest arriving two hours prior to departure. If Pretoria is your arrival point, we suggest delaying your pick-up so you can enjoy the site tour. Passports are required at check-in. No vouchers are required. Luggage will be tagged and placed in your suite on board the train where you will find a full itinerary pack.

**DIETARY REQUIREMENTS:** We will do our best to cater for dietary requirements provided a detailed request has been made at that time of your reservation. If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.

- **Days on board are smart casual:** Neat, conventional yet relatively informal in style combining casual and formal clothing pieces.
- **Evening attire is more formal:** For gentlemen a jacket and tie is a minimum requirement while for ladies we suggest cocktail/evening dresses or suits. On long journeys we enjoy themed evenings where guests can dress up accordingly or opt for **smart casual**:

**GIFT SHOP/ADMINISTRATION:** There is a small gift shop on the train and at Rovos Rail Station in Pretoria. Due to the varying exchange rates, credit cards are preferred. He/she will also fulfil any administrative requirements and check your onward arrangements.

**GRATUITIES:** Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there will be a suitably marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis (share) among the staff on board. An amount between ZAR100-300 (± US\$10-20) per person per night is suggested, depending on the length of your journey. At the game lodges, it is customary to tip guides and lodge staff an estimated ZAR150 (± US\$10) per guest per day.

Please note that while this a complimentary service we cannot be held responsible for items that may be damaged or lost in the process.

**THE TRACK:** The track over which we travel is inconsistently maintained. If you wake at night imagining the train is travelling at high speed, be assured it is the state of the track below creating that impression. We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available in your amenities bag and at the Gift Shop.

**WATER:** The water used on the train is carried in tanks under each coach. These tanks are filled every day but they cannot be topped up while the train is travelling. Please assist us by using water responsibly. Water inside the suites has been filtered and chlorinated; it is safe for bathing and brushing teeth only. Please use the bottled water provided for drinking.
